Subject: Fine Payment Required for Cessation Order Number MC2014-68-01, Pine Ridge Excavation, Pine Ridge Rock Products Mine, Permit S/057/0010, Weber County, Utah

Dear Mr. Lockwood:

A review of records of the Division of Oil, Gas and Mining shows that the civil penalty (fine) in the amount of **\$1,210.00** for the referenced cessation order has not been paid. The final assessment was sent January 8, 2015 (copy enclosed). The timeframe to appeal either the fact of this violation or the amount of the assessed fine has lapsed, and the amount assessed is considered final.

Please remit the total payment by April 30, 2016. If you believe the Division records are in error and that you have paid this fine, please provide evidence of the payment, such as a copy of the cancelled check, before the due date.

Failure to pay the assessed fine may result in seeking payment through court action or referring the amount due to the Bureau of Debt Collections. This may adversely affect your credit rating.

Please call the permit lead, Mike Bradley, at 801-538-5332, our Assessment Officer, Lynn Kunzler at 801-538-5310, or me at 801-538-5261 if you have any questions regarding this letter.

Sincerely,

Paul B. Baker,
Minerals Program Manager
